I make it high priority to arrange my life to avoid upsetting or overwhelming situations.	T	F
When I must compete or be observed while performing a task, I become so nervous or shaky that I do much worse than I would otherwise.	T	F
When I was a child, my parents or teachers seemed to see me as sensitive or shy.	T	F

Scoring Yourself

If you answered true to twelve or more of the question, you're probably highly sensitive.

But frankly, no psychological test is so accurate that you should base your life on it. If only one or two of the questions are true of you but they are extremely true, you might also be justified in calling yourself highly sensitive.
